Dismantle the Engines of Oppression

The Lord instructed:

“The heart of the matter has been and always will be freedom. Freedom is a basic right for those in My Kingdom.

Administer justice, speak for the oppressed and join hands against the dominion and opinion of those who seek the opposite. It’s not against flesh and blood — for the battle rages above — yet those of flesh and blood are the most affected.

Start by dismantling the engines of oppression, piece by piece, rearranged into the foundation of My Kingdom.

Justice and righteousness rain down from on high, for freedom is the reason that I had to die, setting you free from sin and from self, bringing you up and leading you out.

Seated in the heavens you surely are. Exercise My authority to pull My provision down.”
