The Final Onslaught

Back in March 2019 I believe I was given insight, through a dream, into Satan's strategy for a final onslaught against the light, the church and everything that is good.

The dream was so repulsive and dreadful that I refused to write it down in detail. I wanted to quickly capture its lessons and forget its contents.

> *"For God does speak… In a dream, in a vision of the night, when deep sleep falls on people as they slumber in their beds, he may speak in their ears and terrify them with warnings, to turn them from wrongdoing and keep them from pride, to preserve them from the pit, their lives from perishing by the sword."*
>
> *Job 33:14-18*

It was either a vision of how dark the world WILL become or how dark it MIGHT become if those that belong to the light don't take a stand against it.

In the dream I saw that our enemy Satan is seeding an evil into society so dark and wicked that it is beyond anything we have imagined and that its foundation is trifold:

1. Manipulation;
2. Incongruence (secrecy, deception, insincerity);
3. Lawlessness (rebellion, erosion of moral absolutes).

I understood that anyone who practices any of the above will be extremely vulnerable to the darkness, falling under its control and influence.

What alarms me is seeing how quickly the building of that evil foundation progressed over the last few years.

For manipulation and incongruence just consider the sham USA presidential election in 2020, the burying of information incriminating the FBI and their involvement in the so-called January 6th 'insurrection' which followed it – possibly the most elaborate piece of political theatre in human history. Consider all of the fake impeachments, the extreme lengths the media went to, to try and control the narrative around topics such as election integrity, the origins of the coronavirus, the safety and efficacy of the vaccine, the elaborate Russia collusion hoax, the appalling and deliberately misconstructed communications from the

World Health Organization and Chinese Communist Party which resulted in the rapid spread of the CCP virus around the world.

What about lawlessness? During the lockdowns, which themselves were legally questionably, the police repeatedly broke the law in the US and Canada, entering church services and shutting them down, arresting and mistreating pastors. In Europe various countries coerced or even forced experimental vaccinations on their populations, in breach of international agreements. In the US, the current administration has been losing in court over illegal policies it has tried to enforce, not to mention their policy of encouraging illegal immigration at the southern border and all the problems this brings with it (crime, child trafficking, drug trafficking etc), and the defunding of the police.

In the dream I saw that drug usage will become more prevalent: some, even in corporate business, will deliberately and strategically take drugs in order to free their minds so that they can imagine even more devious ways to get ahead, make money and promote their objectives. (It would not surprise me if some silicon valley leaders, whom I shall not name, are not already doing this).

I also saw in the dream:

- A murder conducted by a hired man, in public, in broad daylight, using a rusty knife.
- Robotics being misused to terrifying ends.

In short, I saw that the depths of depravity that the Nazis stooped to, paled in comparison.

Can we really trust our Western governments, the way we perhaps used to, when there is so little evidence of integrity in their dealings? When they encourage immorality?

Now we come to the important point: what should our response be? First and foremost DO NOT FEAR! To give in to fear is to become part of the problem instead of part of the answer. Jesus commanded his disciples to not to let their hearts be troubled! (John 14:1) He only commands us to do what He has given us the grace to obey. Remember that perfect love casts out fear (1 John 4:18) and that He keeps us in perfect peace when our minds are stayed on Him (Isaiah 26:3).

Next: if you have been passive, get active! Pray. Engage. Defend the truth in your sphere.

Forgive those who are fighting for the wrong side – perhaps your speaking the truth in love will in time convert them. Preach the good news of salvation through Jesus!
