

# The Keys to Growth

An inspired poem:

From one generation to the next  
From child, to youth, to parent and back again  
My generational view is a key to growth  
Seeing what I see birthed in you

Spiritual growth is hindered only by sin  
And a lack of letting me enter in  
Let me in and the sin is gone  
And the heart is conformed at once

I AM the Door and I have the keys  
Place Me in the middle of every thought and interaction  
And you will see how I swallow lack  
And lead you to pastures green

I AM the Good Shepherd and the bishop of your soul  
The One who knows the path  
The One who will lead you home

Plant the seeds of truth within  
Faithfully distribute the words of life  
And growth will begin

Rejuvenation from the inside out  
Re-creation is what it's all about  
As the New Creatures emerge from the depths  
Metamorphosed and for this new life equipped

*"I am the Door; anyone who enters in through Me will be saved (will live). He will come in and he will go out [freely], and will find pasture.*

## The Keys to Growth

*The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life, and have it in abundance (to the full, till it overflows)."*

*John 10:9-10 (AMPC)*
