

# A Dragnet

A vision from the Lord and an inspired poem:

I saw long black lines being extended from a drum into the sea. Then it was lifted out of the sea into the sky.

Strings being unwound  
Treasure to be found  
The finding of gold  
A story long foretold

A net being dragged  
The enemy being made mad  
The catch being lifted up  
Elevated into My Kingdom

A generation being saved  
From evil and perdition  
Devastation coming this time  
To the enemy's kingdom

## *Interpretation:*

Dragnet fishing is destructive in the unselective way it scoops life out of the ocean. But if God is the dragnet operator then the devastation is to the kingdom of darkness.

*"Again, the kingdom of heaven is like a dragnet which was cast into the sea and gathered in fish of every sort.*

*When it was full, men dragged it up on the beach, and sat down and sorted out the good fish into baskets, but the worthless ones they threw away."*

*Matthew 13:47-48 (AMPC)*
