

A Shaft of Light

An inspired poem:

The unity of faith, the unity of the brethren
The unity of swords touching heaven
A shaft of light, piercing the dark
A weapon of truth not missing the mark

The dome of protection
Lets nothing through but truth
To pierce lies, expose deception
Remove veils, release revelation

An undoing of the demonic through piercing light
A banishing of the destructive through revelation, through fight
The battle belongs to Me: it is My spirit and your youth
This is all that's required to release and breakthrough

"The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ."

2 Corinthians 10:4, 5 (NIV)
