

## Back to Eden

*A word from the Lord:*

An underground movement is bursting through, making room, clearing space, dealing with the waste, so I can be praised, so My face can clearly be seen and My beautiful space can be a place of communion as it was in the original garden, a place free from fear, where only love was allowed.

Love between Me and My man, love between him and his woman. A three-way communion of hearts and minds, connected through the Divine.

As I AM in this world, so are you. A holy trinity of Father, Son and Holy Spirit, expressed also through the union of Myself and My bride.

A garden, a beautiful space, a safe place for those seeking freedom, life and grace. These Holy places, where My kingdom is allowed to thrive will become a lifeline to communities around them in these end times.

Life will flow from these communities in every sense, providing supernaturally for the entirety of mankind. Spirit first, then soul close behind, then finally the body being kept and provided for. These will be communities of holiness, unity and boldness, offering hope in the dark and warmth in the cold.

*“Look to Abraham your father and to Sarah who bore you; for I called him when he was but one, and I blessed him and made him many.*

*For the Lord will comfort Zion; He will comfort all her waste places. And He will make her wilderness like Eden, and her desert like the garden of the Lord. Joy and gladness will be found in her, thanksgiving and the voice of song or instrument of praise.”*

*Isaiah 51:2,3 (AMPC)*
