

Boring Holes in the Enemy's Plans

A vision and a word from the Lord:

I saw the screw end of an auger.

Bore, bore a hole in the enemy's plan, until what's grounded on lies falls flat and the strategy of My enemy is laid bare and clearly seen.

Pour in new foundations, for foundations that are not of Me will fail when the shaking comes. What is not built on The Rock will be undone.

The Cornerstone that the builders cast asunder is building His army, and the world's rejects are His building material. They are the living stones which cry out to Him, giving praise to their Maker and Creator, until what He planned before the very foundations of this world is built.

Against His church nothing can prevail, especially not the gates of hell.

"The stone that the builders rejected has now become the cornerstone.

This is the Lord's doing, and it is wonderful to see.

This is the day the Lord has made. We will rejoice and be glad in it."

Psalms 118:22-24 (NLT)

"...on this rock I will build My church, and the gates of Hades shall not prevail against it."

Matthew 16:18 (NIV)
