

Earth & Sky Meet

An inspired poem:

Consider, navigate well the path before your feet
And look to where earth and sky meet
From this horizon is coming a wave of grace and glory
A significant sign of who is writing the story

The impact will be felt
And My Kingdom will emerge
As people turn
In the wake of its movement and grace

Mercy waves leading the way
Out of darkness and into the day
As the sun of glory rises and is seen
As the present dominant reality gives way to only Me

"I lift my eyes to you, O God, enthroned in heaven.

*We keep looking to the Lord our God for his mercy, just as servants keep their
eyes on their master,
as a slave girl watches her mistress for the slightest signal."*

Psalm 123:1, 2 (NLT)
