

Trickle, Trickle, Flood

A word and vision from the Lord:

The Lord said, "Trickle, trickle, flood."

I saw a willow-like leaf with water dripping off its tip. Then it became a steady flow, a rivulet flowing down the centre of the leaf. Then I could see the whole tree and the water flowing off all its leaves swept around to create a wall of water. Anyone coming in got drenched in the process. And the water was protective.

"For I will pour out water to quench your thirst and to irrigate your parched fields. And I will pour out my Spirit on your descendants, and my blessing on your children.

They will thrive like watered grass, like willows on a riverbank.

Some will proudly claim, 'I belong to the Lord.' Others will say, 'I am a descendant of Jacob.' Some will write the Lord's name on their hands and will take the name of Israel as their own."
