Heavenly Dance

A vision and word from the Lord:

I saw a woman dancing, middle eastern style. My mind immediately went to the daughter of Herodias dancing for Herod, before she asked for the head of John the Baptist.

“The manipulation of the hearts of men through sensuality and performance in My sanctuary is an abomination to the Trinity and will be rectified from within. Then eternity can begin.

The cleansing of My house from idols and selfish ambition will facilitate a dance of a different kind, one sourced in heaven.

Choreographed by the Spirit for the Groom and His Bride, it will draw the wedding guests so they can take their place around the table of the Lord, be fed with His bounty and experience the Banner of His love.”

> *“Then shall the young women rejoice in the dance, and the young men and the old shall be merry. I will turn their mourning into joy; I will comfort them, and give them gladness for sorrow.”*
