An inspired poem:

Light speed is the right speed
When the path of life is the chosen end
Light speed is the only speed
To safely navigate the coming bends

"In him was life, and that life was the light of all mankind.

The light shines in the darkness, and the darkness has not overcome it.

There was a man sent from God whose name was John.

He came as a witness to testify concerning that light, so that through him all might believe.

He himself was not the light; he came only as a witness to the light.

The true light that gives light to everyone was coming into the world."

John 1:4-9 (NIV)
