The Kingdom at Hand

An inspired poem:

2025

A year for abandoning lies
And giving high fives
A year for getting your hands out of your pockets
And getting your fingers dirty with My work
For the Kingdom of God is at hand
Can you see it?
The Promised Land

So don't be afraid
Look to the rising of the sun
And see My Kingdom come
For the victory is already won

The storms will intensify
So too the shaking
But My grace will grow
As you see, wonder
and learn to let go
