

The Last Great Awakening

A word from the Lord:

Winter is over. Everything is waking up from its sleep. Spring has come. It is time for the great awakening.

"The season has changed, the bondage of your barren winter has ended, and the season of hiding is over and gone.

The rains have soaked the earth and left it bright with blossoming flowers.

The season for singing and pruning the vines has arrived.

I hear the cooing of doves in our land, filling the air with songs to awaken you and guide you forth.

Can you not discern this new day of destiny breaking forth around you?

The early signs of my purposes and plans are bursting forth.

The budding vines of new life are now blooming everywhere.

The fragrance of their flowers whispers, "There is change in the air."

Arise, my love, my beautiful companion, and run with me to the higher place.

For now is the time to arise and come away with me."
