

# A Way in the Wilderness

*An inspired poem:*

Clear the path  
Forge a way  
Forget the past  
It is a new day

*“Forget the former things; do not dwell on the past. See, I am doing a new thing!  
Now it springs up; do you not perceive it?*

*I am making a way in the wilderness and streams in the wasteland.”*

[Isaiah 43:18-19](#) (NIV)
