

# Education Revolution

*A word from the Lord:*

Bursting forth the glory comes  
Streaming forth the light shall be  
No longer shall the darkness reign  
For My kingdom will be seen

My kingdom will break out in you  
and in every place I AM allowed to come  
Destroying the works and devices of the evil one  
Till only light streams forth into the world  
And the surge of darkness is at last arrested and repelled

Like a thief in the night  
Seeking to plunder  
To rob those who slumber  
The enemy has been roaming

But My awakening trumpet is sounding  
My army is preparing and training  
For the final battle of this age:  
The last great awakening

Too long have children been fodder for the evil one  
Because institutions have replaced homes  
And parents have abandoned their posts

My revolution will cause a movement  
To dislodge the cycle of idiotic bureaucracy  
Which has kept the children bound and starved

My revolution will return the home to the centre  
The hub of spiritual activity and mentorship  
Empowering parents with My authority  
Demolishing the intimidation of communistic tyranny

# Education Revolution

*“Hear, O Israel: The Lord our God, the Lord is one.*

*You shall love the Lord your God with all your heart and with all your soul and with all your might.*

*And these words that I command you today shall be on your heart.*

*You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise.”*

[Deuteronomy 6:4-7](#) (ESV)
