Flick the Ticks

An encouragement from the Lord:

Ticks, ticks
Keep giving them flicks
Keep seeing them off
With the power of the cross
For greater AM I
Maintain height
You have to fly

* *'ticks' is a wordplay: poly-ticks. It refers to politics at its worst: energy-draining, hope-depleting, driven by bureaucrats and the foolish.*

> *"Have nothing to do with foolish, ignorant controversies; you know that they breed quarrels.*
>
> *And the Lord's servant must not be quarrelsome but kind to everyone, able to teach, patiently enduring evil, correcting his opponents with gentleness.*
>
> *God may perhaps grant them repentance leading to a knowledge of the truth, and they may come to their senses and escape from the snare of the devil, after being captured by him to do his will.'*
