

Flick the Ticks

An encouragement from the Lord:

Ticks, ticks
Keep giving them flicks
Keep seeing them off
With the power of the cross
For greater AM I
Maintain height
You have to fly

** 'ticks' is a wordplay: poly-ticks. It refers to politics at its worst: energy-draining, hope-depleting, driven by bureaucrats and the foolish.*

"Have nothing to do with foolish, ignorant controversies; you know that they breed quarrels.

And the Lord's servant must not be quarrelsome but kind to everyone, able to teach, patiently enduring evil, correcting his opponents with gentleness.

God may perhaps grant them repentance leading to a knowledge of the truth, and they may come to their senses and escape from the snare of the devil, after being captured by him to do his will.'
