

Old Faithful

A vision and word from the Lord:

I saw, as I swung my arms wide and high, a geyser spring up before me and it reminded me of Old Faithful.

“Old Faithful will spring forth again, spreading life and light, unblocking lives with My heavenly love. Adoration of Me has always been the key to bringing heaven down to earth. Mirror the activities of heaven and My supernatural life will affect the broken: the fruit of the spirit, put into practice deliberately; the uninterrupted praise and adoration of My only begotten Son.

These develop a culture of heaven on earth. They will re-educate broken human hearts, creating life-giving community, where a geyser like Old Faithful flows from My throne, through its midst into My people, making them My home.”

“How precious is your steadfast love, O God! The children of mankind take refuge in the shadow of your wings.

They feast on the abundance of your house, and you give them drink from the river of your delights.

For with you is the fountain of life; in your light do we see light.”
