A Generational Journey

A word of wisdom from the Lord:

The generational journey along wisdom's glorious road needs protecting, so the coming generation receives a higher revelation and a greater elevation.

Eagles push their offspring from the nest before they appear to be ready, so they can grow in strength and observe their parents in flight. So too My discipleship model is frontline preparation combined with time in the nest.

Allow the children to observe your life, to see how you fly and let them fly with you. For the segregation and isolation of the younger generations produces fruitlessness and frustration, a spiritual castration, because the anointing comes from impartation and contact between the generations.

I AM the God of Abraham, Isaac and Jacob. I see them all as One.

> *"Hear, my son, and accept my words, that the years of your life may be many.*
>
> *I have taught you the way of wisdom; I have led you in the paths of uprightness.*
>
> *When you walk, your step will not be hampered, and if you run, you will not stumble.*
>
> *Keep hold of instruction; do not let go; guard her, for she is your life.*
>
> *Do not enter the path of the wicked, and do not walk in the way of the evil. Avoid it; do not go on it; turn away from it and pass on.*
>
> *For they cannot sleep unless they have done wrong; they are robbed of sleep unless they have made someone stumble.*
>
> *For they eat the bread of wickedness and drink the wine of violence.*
>
> *But the path of the righteous is like the light of dawn, which shines brighter and brighter until full day."*
