Search & Rescue

A vision and word from the Lord:

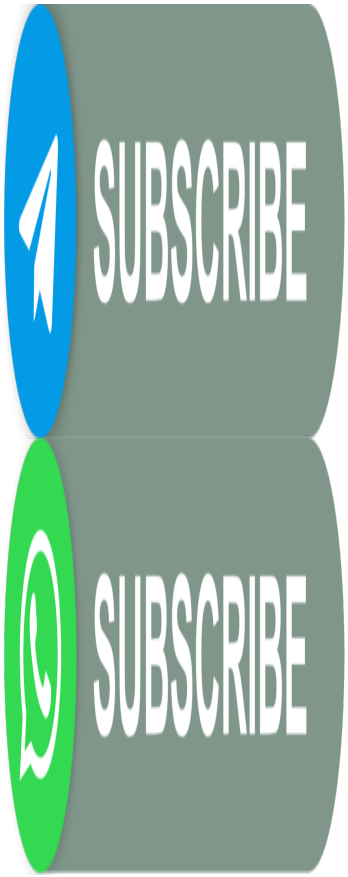

In a vision I saw myself and others rushing into a raging inferno, rescuing people out of it. We were in a protective bubble, like Daniel's friends.

The hunt is on
Searching for the one
To bring them back to the fold
To lead them home

Behind enemy lives
Unseen but not blind
Sent to release captives

To fight until they're free
To lead them out of Egypt
Into victory, into liberty
