

# A New Day

*A word from the Lord:*

God's rays, heralding a new day  
Look to the east, and My coming you will see  
For with this new day comes new sight  
And new strength to endure and to fight

Watch as My light beams stream, creating paths of light  
Touching hearts whose only experience has been night  
But as My new day is dawning, please heed this warning:  
Look only to Me the Author and Perfecter of your faith  
Discern My will and run the race  
For I alone hold the keys to the kingdom  
And I alone bring true liberty and freedom

*"Blessed are those who dwell in your house, ever singing your praise!*

*Blessed are those whose strength is in you, in whose heart are the highways to Zion.*

*As they go through the Valley of Baca they make it a place of springs; the early rain also covers it with pools.*

*They go from strength to strength; each one appears before God in Zion."*
