Geysers of Grace

I saw a landscape with geysers bursting up all over it.

Geysers of grace
Bursting up all over the place
Showering favour
Delivering love
Ministering mercy
An administration from above

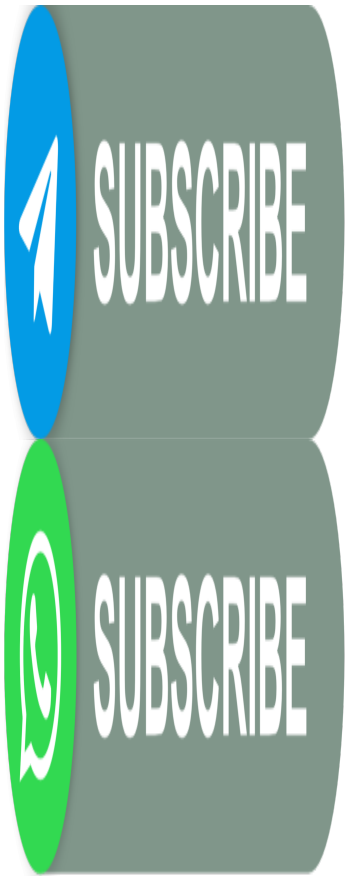

Where My grace flows, flow gifts divine
Gifts bringing deliverance
Gifts sent to refine

With all My grace gifts comes an ease and a flow
For where they're ministering I surely must go

I AM the God of all grace
The Merciful Source of all faith
Combine your faith with My grace
And you will see My face

Grace is My provision
A divinely inspired unmerited alignment
Bringing union rather than division
Prosperity straight from heaven

> *"Having gifts that differ according to the grace given to us, let us use them: if prophecy, in proportion to our faith; if service, in our serving; the one who teaches, in his teaching; the one who exhorts, in his exhortation; the one who contributes, in generosity; the one who leads, with zeal; the one who does acts of mercy, with cheerfulness."*
