Great Ship of Reformation

I saw the tip of something rising out of the ground. Then the rest started to become visible and it was the prow of a ship.

The tip of the ship is rising
The prow like a plough is forging a way
This great ship of reformation will restore what the enemy has broken
After night comes day

The swell in her wake will break asunder
The petty attempts of the enemy to delay and hinder
For this great ship of reformation has to be resurrected
For the honour and glory of My Son and His kingdom

The education of children in My kingdom is paramount
The preservation of their innocence and purity must be facilitated on every account
Being as wise as a serpent but innocent as a dove
Is a necessary characteristic for those rising above

Rising above the wind and the waves
The depravity and wilful ignorance of those unwilling to change
Is vital for those onboard My reformation ship
Look only to the horizon and know you're equipped

> *"Behold, I am sending you out as sheep in the midst of wolves, so be wise as serpents and innocent as doves."*
>
> *Matthew 10:16 (ESV)*
