Reformation Fire

An inspired poem:

Heat, fuel and wind
These are required for a fire to begin
Heat: a passion for My Word
Fuel: a message needing to be heard
Wind: heavenly inspiration from above
Combined, these three become signal fires of My love

> *"... fan into flame the gift of God, which is in you... for God gave us a spirit not of fear but of power and love and self-control.*
>
> *Therefore do not be ashamed of the testimony about our Lord... but share in suffering for the gospel by the power of God, who saved us and called us to a holy calling, not because of our works but because of his own purpose and grace, which he gave us in Christ Jesus before the ages began, and which now has been manifested through the appearing of our Savior Christ Jesus, who abolished death and brought life and immortality to light through the gospel..."*
