Sustained Resistance

A word of wisdom from the Lord:

The key to sustained resistance is your persistent connection with Me. Obvious to say but not as easy to do, unless you decide to protect the communication lines deliberately.

As in war, the connection between those on the frontline and the commander in chief is sustained through valuable lines of communication. So you must protect these “wires”.

Lift the receiver and listen to HQ. Listen, for I will pour out wisdom and insight necessary for the fight. Strategy from My heart to yours. Wisdom to open doors and release and pour forth heavenly provision more and more.
