The Worm

I saw boring worms emerging, as in 'The Battle of Five Armies'.

The worm bores; it attempts to destabilise and unearth your assurance and very foundation. But you have the authority and are to destabilise these attempts by exposing this very strategy of the enemy.

What is spoken in the dark, keep bringing to the light. What he attempts to hide, expose as a lie.

> *"Dear friends, I had been eagerly planning to write to you about the salvation we all share. But now I find that I must write about something else, urging you to defend the faith that God has entrusted once for all time to his holy people.*
>
> *I say this because some ungodly people have wormed their way into your churches, saying that God's marvelous grace allows us to live immoral lives. The condemnation of such people was recorded long ago, for they have denied our only Master and Lord, Jesus Christ."*
