Aperture of Faith

A picture and word from the Lord:

I saw an arc of light. It reminded me of a science diagram that shows how light comes into an eye.

“The aperture of faith opens into a wide open space of grace, where provision will flow as you don’t let go but choose to know only what I can show.

The aperture of faith gives you vision to perceive what I have ordained and already paid for.”

---

aperture
: an opening
: the opening in a photographic lens that admits the light

> *“Now faith is confidence in what we hope for and assurance about what we do not see.*
>
> *This is what the ancients were commended for.*
>
> *By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible.”*
>
> *Hebrews 11:1-3 (NIV)*
