Awakening

A prophetic word concerning the ministry of 24-7, shared here because the principles are universal:

The Tent of Meeting is an invitation of greeting to those looking on. An invitation to come and behold the One whose empowerment flows from above. A flow of divine lava, expressing My character, as you behold the King and become all I need you to be. The impartation of holiness can come when our connectedness becomes visible to all around.

The fire will draw, it will invite and procure an awakening in the spectators of *The Show*. I will draw them in as the awareness of sin grows and becomes a burden no longer to be borne. They will cry out for help to deal with the weight of their uncleanness.

Before I can lead all My lost sheep, the shepherds must burn with My love deep. The lava will flow, as you don't let go, as you determine to embrace your King. The love you have for Me, for each other and those all around, will grow and become good ground, for My end time outpouring of provision and glory.

> *"May Christ through your faith [actually] dwell (settle down, abide, make His permanent home) in your hearts! May you be rooted deep in love and founded securely on love…"*
