Freedom

An encouragement from the Lord:

All authority is Yours in heaven and on earth, so that all tyranny and oppression can be crushed, and My children can live the free life I made them worthy of.

But these freedoms need to be preserved, and despotisms pushed back, so My children can live freely and My Kingdom can come here on earth.

Discipleship means preparedness to fight and push back the night. Not in your own strength, but in the strength of My Son, the Resurrected One.

The oppression can only be undone through love. For love never fails and never gives up. It never lets go and is always enough.

My love takes back what the enemy has stolen and restores to fullness all that was broken.

Not by might nor by power but by My Spirit. But hear, hear that My Spirit is no spirit of fear but of love, power and a sound mind.

These three qualities must be fostered and strengthened in all those fighting in My resistance:

- love to keep overcoming
- power to push back the evil one
- sound-mindedness, void of all carnal speculations.

Develop these qualities this year and we will keep taking ground and pushing back the fear.
