# Holy Fire

*An inspired poem:*

Where I AM is fire
Where you are is fire
In My image you have been made
So in you My holy fire can rage

Consecrate yourselves
So My holy fire burns
For this is the desire
with which My heart yearns

> *“The fire on the altar must be kept burning; it must not go out. Every morning the priest is to add firewood and arrange the burnt offering on the fire and burn the fat of the fellowship offerings on it.*
>
> *The fire must be kept burning on the altar continuously; it must not go out.”*
