Blood Transfusion

An encouragement from the Lord:

To behold the Lamb upon the throne is to be rightly related to the whole. Lifting our gaze to behold Him gives place to the correct flow, the one from heaven directly into our souls.

The life flowing from His throne is the lifeblood of the church. A transfusion of blood is necessary to see the Bride risen from the dead and standing beside her Groom.

Unplugged from the world. No longer sapped of strength by lies and deception, but raised up, with glory flowing through her veins.

The life is in the blood, in His blood poured out for us. Supernatural energy and provision flow from His throne, reviving our mortal bodies simply through abiding, and allowing the Divine Exchange.

Weariness for great strength, fear for peace; instead of grief, great joy, and beauty for what the enemy sought to destroy.

> *"Now may the God of peace who brought again from the dead our Lord Jesus, the great shepherd of the sheep, by the blood of the eternal covenant, equip you with everything good that you may do his will, working in us that which is pleasing in his sight, through Jesus Christ, to whom be glory forever and ever. Amen."*
