

A Nation Redeemed

An encouragement from the Lord:

The power of Germany's redemption story - no longer shrouded in guilt and unable to embrace who I have made them, but empowered through redemption to reform the nation, because they know who I AM and they know the power of My redemption plan. How do they know? Because it has been their story too.

Teach the children how to make Germany great again. Not through national socialism but through their hearts being gripped by Christ's love for their nation.

Can a nation be born in a day? Look to Israel for the answer. Can a nation be changed in a day? When I, rather than the dragon of communism, have the hearts of the children, then anything is possible. Nothing is impossible for those who believe, for those who have been given vision, who can see.

Believe - believe I can set Germany free. And teach - teach the children all about Me. A national pride, birthed from a national love given by the heart of God, will cause their hearts to rise heavenwards and My Kingdom to be manifest.

Make Germany great again, because its people are deeply loved by Me and My Son.

"May God be gracious to us and bless us and make his face to shine upon us, that your way may be known on earth, your saving power among all nations.

Let the peoples praise you, O God; let all the peoples praise you!

Let the nations be glad and sing for joy, for you judge the peoples with equity and guide the nations upon earth."
