

Deep Transformation

A word of wisdom from the Lord:

Truth rearranges the surface of what is usually done, passing deep into the molecular structure, making what has always been into what He said would become.

superficial (from the Latin *superficialis*, meaning “of the surface.”)

Literal: Located on or affecting only the surface.

Figurative: Lacking depth, insight, or thoroughness.

Emotional: Concerned with appearances or shallow qualities

*“Do not be conformed to this world (this age), [fashioned after and adapted to its external, **superficial customs**], but be transformed (changed) by the [entire] renewal of your mind...”*
