# Koinonia

*An inspired poem:*

Koinonia is a fast track to My ear
The beating of My heart is clearly heard
And the action of My hand is made manifest
In the midst of such unity of heart and mind
Potency is key–
Springing from undiluted heart-devotion to Me

> *“All the believers devoted themselves to the apostles’ teaching, and to fellowship, and to sharing in meals (including the Lord’s Supper), and to prayer.”*
