Doused in Light

I saw something which looked like water pouring onto someone, but it was actually light, like the beam of a spotlight:

Doused in light
Made ready for the fight
Our eyes fixed on You
For you are Lord of the breakthrough

A baptism of light
Of love and of fire
With such armour as our protection
How can we resist your desire?

An all encompassing armour of light
Clothed in glory and made ready for the fight
Receiving our commands from the Lord of Heavenly Hosts
Running into the battle beneath His banner of love

> *"The night is far gone and the day is almost here.*
>
> *Let us then drop (fling away) the works and deeds of darkness and put on the [full] armour of light."*
>
> *Romans 13:12 (AMPC)*
