Burn the Ships

I saw a blazing stream and someone was riding on the top of it, log flume style:

A fire stream
A molten flow
A rollercoaster
Straight from My throne

Burn the ships — equip, equip. All for Me, all for My glory. There is no other way to see My Kingdom come except through the utter decimation of what leads to damnation.

Fire to consume, to make room, to burn through the facade and the lies, exposing the nakedness and depravity — the roadblocks to eternity.

> *"I watched as thrones were put in place and the Ancient One sat down to judge... He sat on a fiery throne with wheels of blazing fire, and a river of fire was pouring out, flowing from his presence."*
