Speech Therapy

An inspired poem:

Speech therapy—
a fast track to eternity,
your words reflecting Mine,
painting pictures of the Divine.

Offering hope,
creating light,
making ready
for the fight.

All else will pass away,
but My words
will last eternally.

Create spaces for speech therapy— where My Words, spoken by your mouth, become weapons of warfare to pull the enemy down.

> *“Heaven and earth will pass away, but my words will never pass away.”*
