

A Hedge

I saw what looked like simple green wire crosses, like my daughter's pipe-cleaner ones, joined into a hedge:

An ornamental hedge is decoration at best. But My hedge of protection is a hefty weapon, unscalable by the enemy and unavailable without Me.

“Have you not put a hedge around him and his house and all that he has, on every side? You have blessed the work of his hands, and his possessions have increased in the land.”
