As Far As You Can See

The Lord instructed:

“Fight for the sight, the capacity to see things as I do. Small will keep you earthbound, restricted by the inability to see beyond, to see where I AM.

Where I reside, there are no limits. My Kingdom is expanding at the speed of sound: the sound of your voice as you use it to declare what you see.

Fight for the sight. Blind you might not be, but restricted vision equals restricted movement and restricted freedom. The space to move is directly related to how much you perceive.

I, the Holy One of Israel, am limited only by what you choose to see. For seeing is believing, and when you see it, your faith can receive it, and it will manifest.

Fight to see and believe what you see.”
